2022 Fall Classic to be held at Hyatt's on November 5th.

SQUADING & SCORING

1. Squads must consist of AT LEAST 3 circuit shooters. *If less than 3 shooters are in a squad, the squad MUST BE accompanied by an eligible trapper / scorer will be required. That trapper / Scorer may be provided by the club or it may be another competitor in the circuit shoot.*
2. *Spectators are not allowed to keep scores; all scoring must be done by a shooter competing in the circuit shoot on the squad or by a host club's trapper.*
3. Shooters are responsible for following all NSCA and NC Circuit Shoot rules. Any shooter who does not follow the NC Circuit Shoot rules or NSCA rules is subject to being disqualified from that Circuit Shoot and the shooter will lose their Circuit Shoot points for that event. *The shooters NSCA score and any punches earned will still be counted and reported to the NSCA.*

AWARDS & RECOGNITION

1. Classes recognized: M-E class
2. Target fees will be sent to: SCANC and NSCA
3. Ten dollars of each entry fee will go Back-To-Class at each Circuit Shoot. This money will be divided between the 1st place and 2nd place finishers in each class. 1st place finisher will receive 60% of the Back-to-Class money and 40% will be paid to the 2nd place finisher. There is a provision for payback in the event of ties – see the **payouts** section for details and examples)
4. The end-of-series, east and west, prize fund will be paid out to top 16 shooters at the end of each Circuit Shoot series within 30 days of the final shoot.
5. Individual clubs may offer options if desired; such as: Back-to-Class, Shell Game, Lewis Class, etc.
6. Clubs will pay the BTC monies to winners. Clubs should send all end-of-series money and *series finale money* to Sporting Clay Association of North Carolina treasurer along with target fees.

EVENT ENTRY FEE – \$85

Breakdown

1. Host Club.....	\$55
2. Back-to-Class.....	\$10
3. End-of-series.....	\$8
4. Target Fees.....	\$7
5. Combined Finale Fees.....	\$5

TOTAL **\$85**

YOUTH (18 & UNDER)

For purposes of this section, a youth shooter will be considered any NSCA REGISTERED shooter who will not have turned 19 as of January 1, 2021.

There will be a trophy given to the high junior and sub-junior shooter in each series, furnished by SCANC.

Point System

Circuit Shoot points will be assigned to shooters based on how they finish **IN THEIR CLASS**. The scoring system continues to place an emphasis on high finishes within each class, but not to be as punitive for a lower place finish at any given shoot.

1 st place	earns	100 Points
2 nd place	earns	90 Points
3 rd place	earns	80 Points
4 th place	earns	70 Points
5 th place	earns	65 Points
6 th place	earns	60 Points
7 th place	earns	55 Points
8 th place	earns	50 Points
9 th place	earns	45 Points
10 th place	earns	40 Points
11 th place	earns	35 Points
12 th place	earns	30 Points

*All shooters who finish below 12th place will receive 25 circuit shoot points.

TIES

All ties in class will get same points; Example: 3-way tie for 2nd place....1st place shooter will get 100 points, the next 3 that are tied with the 2nd high score will get 90 points each. The next high score – which is 5th place in this example – will get 65 points, next 60, etc.

PAYOUTS

1) Shoot Payout (the payout model for each individual circuit shoot)

Total Class purse for each circuit shoot = \$10 X number of shooters in each class.

Total Back-to-Class payout: 1st = 60%; 2nd = 40%

Example, If there are 6 shooters in a class, the purse for that class = 6 X \$10 or \$60. The payback for this example would be for 60% or \$36 to 1st place and 40% or \$24 to 2nd place.

Settling Ties at individual Circuit Shoots

Example 1) Ties between 1st place finishers – The Back to class money will be split evenly between those shooters that tied with the high score in class. For example, if there are 9 shooters in A-class at a particular circuit shoot and the top 3 shooters in A-class all tie with a 91, then the Back-to-class money should be split evenly 3 ways with each shooter receiving \$30. In this example, all 3 shooters would get 100 circuit shoot points and the second high score in A-class would get no back-to-class money and 4th place circuit shoot points.

Example 2) Ties between shooters with the 2nd high score in class, all shooters should get an even share of the 2nd place money. For example, suppose there are 9 shooters in A-class at a particular circuit shoot. One shooter in A-class for this event has the high score of 91 and 2 shooters in A-class both tie for the second high score in class with an 89. For this example, the high score will get 60% of the back-to-class money and 40% (the second place share) of the Back-to-class money should be split evenly between both of the shooters with the 2nd high score with each shooter receiving \$18. In this example, both shooters would get 90 circuit shoot points and the third high score in A-class would get no back-to-class money and 4th place circuit shoot points.

2) End-of Series Payout (the payout model for the combined circuit shoot points)

Total End-of-Series Purse will be determined as follows:

SPRING SERIES = **\$2,000** (Association allocated) + \$8 per shooter per event

FALL SERIES = **\$2,000** (Association allocated) + \$8 per shooter per event

3) Payout at Fall Classic

The \$5 collected at each circuit shoot for this event will be paid out to the top 3 in each class @ the rate of 50/30/20. The money will be divided equally in the 7 classes. You must have shot in at least 3 shoots per series to be eligible for this money.

End-of-Series Payout will be determined as follows:

1st place	=	10%	9 th place	=	6%
2nd place	=	9.5%	10 th place	=	5.5%
3rd place	=	9%	11 th place	=	5%
4th place	=	8.5%	12 th place	=	4.5%
5th place	=	8%	13 th place	=	4%
6th place	=	7.5%	14 th place	=	3.5%
7th place	=	7%	15 th place	=	3%
8th place	=	6.5%	16 th place	=	2.5%

Settling Ties for end-of series points

If, at the end of a circuit series, there is a tie for total circuit shoot points, the prize money for however many places that are tied will be ***added together and divided equally*** between all shooters who are tied. For example, suppose that at the end of the spring series there is a 3-way tie third place. In this example, the 3rd, 4th and 5th place percentages will be added together and divided 3 ways and each shooter will get an equal share. In this example, the next highest point total will receive 6th place money (assuming no ties for 6th place).

GENERAL RULES

1. A Circuit Shoot Committee will be appointed by the Association and will be responsible for overall management and accounting. One-year terms for these committee members. The 2022 Committee members are the current Board of Directors with Don Molina serving as the chair.
2. There are 12 circuit shoots planned in 2021. The 2021 Circuit shoot season will be broken into 2 halves with 6 shoots in the spring for the WEST SERIES and 6 shoots in the fall for the EAST SERIES! There will be a separate payout at the conclusion of each series. Circuit Shoot points will be awarded to shooters for each circuit shoot based on the NC Circuit Shoot point system. The top 4 scores (out of 6 circuit shoots) will be used to calculate the point total for each shooter. A shooter who shoots in all 6 circuit shoots in a particular series will be awarded an additional 50 bonus points that will be added to his circuit shoot point total for that series. If you only shoot in 5 of the circuit shoots you will get a 25 point bonus added.

3. A club in good standing with the SCANC be eligible to host a circuit shoot and will be placed in the Circuit Shoot rotation. A club may host 1 Circuit Shoot per calendar year.
4. In European Rotation format, the cutoff time for Circuit Shoot entrees at each tournament will be 1:30pm. (This means on the course by 1:30PM – the 3-man rule or trapper rule still applies)

At the discretion of the range owners, squadding of the shooters will be permitted. Squadding rules per 2015 NSCA section IV, H (page 32).

- a. Squadding—At the discretion of the Shoot Officials, groups of three (3) to six (6) shooters will be formed to proceed from field-to-field in a fixed sequence. Unless specified by Shoot Officials, squads may shoot in any order of rotation selected by the shooters and may change the rotation from field to field.
 - 1) In squadding sequence, squads will be assigned a start time and it is the responsibility of each shooter to be ready on time, or within 5 minutes of that time.
 - 2) Time—Shots not attempted by the “shoot end time” (European Rotation), or shots not attempted by the shooter joining his squad after they have begun (squadding), will be scored as LOST.

The Shoot Officials shall have the right to provide for make-up targets if sufficient justification can be presented. Make-up targets are provided solely at the discretion of the Shoot Officials.

*If a range owner chooses to use the squadding format, the 1:30 rules does not apply.

5. The Circuit Shoot Tournaments are designed to be main events the day of the tournaments. If a separate event is offered by the club, the second shoot must be on a separate course OR targets must be thrown using a separate and substantively different shoot menu.

If, at a range that has only 1 course, the club offers a second “fun” shoot, the shooter must shoot the circuit shoot 1st, if he plans to shoot both events. This does mean that both shoots can be run simultaneously.

6. Any disputes or protest at any circuit shoot must be presented to the Circuit Shoot Committee Chair in writing within 24 hours of the 1:30 pm cutoff time to be considered. (An email will satisfy this requirement)

HOST CLUB RESPONSIBILITIES

1. Each circuit shoot will be a 100-target event
2. The Circuit Shoot Course must be a minimum of 12 stations.
3. A Practice field will be available at each shoot.
4. Clubs that wish to provide lunch for shooters may do so at an additional cost to the shooters
5. There will not be any trophies or medals unless host clubs choose to award such.

APPENDIX D

NORTH CAROLINA STATE CHAMPIONSHIP

January 1, 2022 to December 31, 2022

State Championship Certification

In an effort to provide the finest event possible to our membership, The Sporting Clays Association of North Carolina (SCANC) has set forth the following guidelines for the North Carolina State Sporting Clays Championship, along with the designated events of: State Five-Stand Champion, State FITASC Champion, State Super Sporting Champion and State Sub-Gauge Champion to be held during the same week.

The Board will award the North Carolina state shoot to a qualified club which can provide the necessary experience and the following events and facilities needed to host this event. This criterion was established with the expectation that the NC State Championship will be a premier event regularly attracting 150-plus shooters from North Carolina, South Carolina and Virginia.

The State Shoot will be held annually in either **May or June**. Interested clubs must propose 2 dates, in order of preference, to be submitted to the Board on the Proposal Sheet.

EVENTS

(Please see The “Shooting Games Information” tab in the accompany spreadsheet for further details on each of the following events)

- **200-target Main event** shot on a 2-day (Saturday/Sunday) rotation. The two-day rotation will be held on a minimum of two 14-station sporting clay courses (must be a squadded event)
- **100-Target Friday Preliminary event** (must be a squadded event with a minimum 14-station course)
- **100 Target Thursday Preliminary event is optional – follows the same structure as the Friday preliminary.**
- **100-Target FITASC event** (must be a squadded event)
- **50-Target 5-Stand** (Event may be shot as two (2) 25-target segments or one (1) 50-target event (must be a squadded event)
- **50-Target Super Sporting event** (7 station minimum course)
- **50-Target Subgauge event** (20 ga., 28 ga., and 410 ga. – 7 station minimum course)
 - Sub-gauge event **MUST** be on its own dedicated course
 - Side by Side, Pump and 12ga. events are optional
- **A practice 5-stand course** (separate from the competition 5-stand) or a stand-alone practice course
- **OPTIONAL:** Two to three shooting games are DESIREABLE, but not required, i.e., Make-A-Break, Long-Bird, Flurry, other.

APPENDIX D

NORTH CAROLINA STATE CHAMPIONSHIP (CONTINUED)

FACILITIES, PARKING, REGISTRATION & CONTINGENCY PLANS

- **FACILITIES:** Adequate facilities (i.e., clubhouse, restrooms /adequate portable restrooms [dedicated separately to men and women], vendor spaces, catered food services, etc.) to provide services for 150 plus shooters and the support staff needed to run an event of this size.
- **PARKING:** Adequate parking space at or very near the venue with shuttle transport provided IF NECESSARY
- **REGISTRATION:** All competitors MUST be allowed to register in advance of the main event. However, a club may accept walk-up registrations if there are available squadding options. A club may (but is not required to) charge a deposit upon registration NOT TO EXCEED 50% of the total event cost
 - Registration will be available on Score Chaser (or other approved scoring system) and must be open 4-6 months prior to the event. (Having the event listed on Score Chaser or other approved scoring system early basically equates to free advertising for the event and the Host Club, as most shooters are using this site to plan ahead for major shooting events.)
- **EMERGENCY/SECURITY:** Please see the Proposal Form to describe your emergency plan/emergency facilities.
- **CONTINGENCY PLANS FOR INCLEMENT WEATHER:** Please see the Proposal Form to describe your contingency plan.

TRAPPERS

All trappers, (excludes FITASC referees), should be experienced trappers, preferably at least 16 years of age*.

***TRAPPER DEFINITION NOTE:** Although there is no minimum age or official qualification to be a trapper (excluding FITASC), all other trappers should be individuals evaluated and trained by the Host Club, who, in the opinion of the Host Club, are capable of providing a quality experience for shooters.

ENTRY FEE***

The entry fee for the Main Event will be capped at \$240.00 excluding taxes and target fees. [Therefore, at current target fees, the total entry would be \$254 (\$240 + \$14 in target fees).]

All other side games will remain the same base price excluding taxes and target fees.

Options should be available for all events, i.e., Lewis Class, Back-to-Class, Shell Game, etc.”

APPENDIX D

NORTH CAROLINA STATE CHAMPIONSHIP (CONTINUED)

PAYOUTS

- Main Event total payout shall be a minimum of \$12,000 which includes: HOA, RU, In-State HOA, Master – E Classes and all Concurrent classes.
- All payouts must be mailed out within 18 business days of the conclusion of the last day of the shoot.

NSCA QUALIFICATION

To be a qualified host range, the shoot management must be in good standing with the NSCA and the Sporting Clays Association of North Carolina in the year PRIOR to the time of selection and must remain in good standing through the duration of the event.

ANNUAL MEMBERSHIP MEETING

The host club will be required to host the annual membership meeting and a social function on Saturday Evening. The cost of the event should be included in the event registration. Additional non-registered guests may purchase separate tickets to the function.

BOARD CONTRIBUTION

The Sporting Clay Association of North Carolina will offer support to the host range each year which is intended to offset the cost of certain aspects of hosting the event. It is not expected that the support provided in any given year will cover the entire cost that the host range will incur to host the event.

The Board contribution will be voted on each year as noted in the proposal. The Board will require additional items be provided to all Main Event shooters from that contribution. Those items will be Board approved and are:

- a High Quality T-Shirt (Board Approved)
- \$20 in vendor tokens (can be used at the Warm-Up, Make-A-Break or with on-site vendors).

50% of the Board Contribution will be provided 30 days prior to the event. The remaining 50% will be paid the last day of the NC State event.

HOSTING THE EVENT**

The bid which meets or exceeds the criteria to host the NC State Championship as outlined in Appendix D shall be awarded the event. There is no restriction as to whether a club can host the Championship in consecutive years.

APPENDIX E

SPORTING CLAYS ASSOCIATION OF NORTH CAROLINA YOUTH SPORTING CLAYS PROGRAM

Document Title: Sporting Clays Association of North Carolina Youth Sporting Clays Program hereinafter designated as NCYSCP.

Vision: To develop within the Sporting Clays Association of North Carolina a program that provides instructional and financial support to young shooters interested in Sporting Clays.

Mission: To foster the personal growth and development of young people of North Carolina and to increase participation in clay target shooting in our State.

Goal: To actively support young shooters in Sporting Clays by providing financial support, instruction, range accessibility, ammunition, targets, referees, meals, or any other support the Board deems appropriate to facilitate the participation of young shooters regardless of their ability. "Young Shooters" with regard to this appendix are shooters who have not graduated High School and have not reached their 18th birthday by the time of a SCANC sponsored event.

Funding: The Board will create a NCYSCP committee made up of a minimum of 3 current Board Members in order to administer the collection of funds and to provide a suggested event or program each year for Youth Shooters to participate in. The amount of support for any given event will be predicated upon the funds available in the NCYSCP account. Our Association is now a 501 (c) 3 North Carolina Non-profit Corporation and donations are generally tax-deductible. Funds may be solicited from a wide range of sources including the General Public, Ranges, Vendors, Association Members, Retail Stores, State and County Governments, manufacturers, The NRA, NSCA, DU, NWTF, auctions and designated tournaments. We will also accept non-cash donations of items for raffles, range time, ammunition, volunteer work, instruction, etc. All funding collected for the NCYSCP will be kept in a separate ledger account and all future financial statements will reflect the balance of this account and our standard operating account separately. Funds set aside for the youth account may never be used for the standard operating account nor may they be counted in order to comply with our required minimum balance set forth in our By Laws. Donors' names and the amount of their donation may be listed on the Association website if the donor wishes or donations may be anonymous.

Allocation of Funds: The monies collected for this purpose may be used at the discretion of the current Board in order to best serve the Young shooter in any given year. Some suggestions have been to host a youth-only tournament or a tournament where young shooters are partnered with adult SCANC shooters. Other suggestions have been to pay for target fees for Young shooters, provide instructional or training events just for the youth, provide scholarships for deserving young people to attend college, support youth events with meals or ammunition, or help defray the cost of travel. It is incumbent on each new Board to determine how best to serve North Carolina's youth program.

We are all responsible for and have a vested interest in our Young Shooters. Remember the first time someone took you shooting, and you broke your first clay target. It is no different today, someone is waiting for you to take them. I hope you will show your support by making a contribution to North Carolina's young men and women who have chosen to be a part of this extraordinary sport.

APPENDIX H

NORTH CAROLINA SPORTING CLAYS HALL OF FAME

Last Update: February 2018

HALL OF FAME INDUCTEE CRITERIA

The Sporting Clays Association of North Carolina desires to create a Hall of Fame in order to recognize those individuals who have made significant contributions to our sport in North Carolina and have repeatedly distinguished themselves in their commitment and achievements to North Carolina Sporting Clays Competition.

In an effort to properly honor these individuals, The Board of Directors has set forth the following guidelines for induction into the SCANC Hall of Fame. It is our hope that by doing so, future generations of Shooters will understand the monumental impact these persons have had on our sport. It is with our heartfelt gratitude and admiration that we respectfully submit these individuals for induction into the Sporting Clays Association of North Carolina Hall of Fame.

In 2015, the inaugural year, the Board agreed to induct 5 people to the Sporting Clays Association Hall of Fame. Those recipients are listed in this Appendix.

The following guidelines shall be used as criteria for nomination and induction into the Hall of Fame.

1. Nominations may be made by any Association member in good standing. Once the nominee is approved by the Board, the members of the current Board and the living Hall of Fame members, currently residing in North Carolina, will vote on each nominee separately. The inductees must receive no less than $\frac{3}{4}$ of the votes cast to be inducted into the Hall of Fame.
2. The number of nominations is unlimited each year, but no more than 3 nominations will be approved by the Board to be voted on. The unapproved nominations will not automatically be nominated in subsequent years but must be re-nominated to be considered. Those who were voted on but not inducted, are automatically nominated for the following year.
3. Inductions are made for perpetuity. Potential nominees may refuse nomination if they so desire, but must do so at the time of nomination.
4. Inductees will be presented with a plaque designating their achievement and their names will be permanently listed on Association documents.
5. Nominees should be considered with respect to the following guidelines and other appropriate considerations. Success in competition, service to others, longstanding work within our Association, Financial Investment and range development for our sport, dedication to youth and conservation and, most important, the inductee should demonstrate these qualities over a significant period of time.
6. Nominees should be submitted to the Board by March 31 of each year so that the voting will be completed in a timely manner allowing for presentation of the current class to the Association Members at the State Championship each year.

APPENDIX H (CONTINUED)

NORTH CAROLINA SPORTING CLAYS HALL OF FAME

7. Nominees should be considered based on **any or all** of the following guidelines and other appropriate considerations:
- must have been involved in North Carolina Sporting Clays for at least 20 years in some capacity.
 - superior achievement in registered competition
 - significant personal investment in Range ownership, management, and development
 - longstanding instruction of others, especially our youth
 - unwavering dedication and commitment to North Carolina Sporting Clays in leadership, conservation, participation, sportsmanship, and vision for the future.

APPENDIX I

NORTH CAROLINA SPORTING CLAYS FALL CLASSIC

Updated: October 7, 2020

The Fall Classic, a Sporting Clays of North Carolina (SCANC) sponsored event, was first offered to the shooters in 2013. SCANC being a non-profit organization, uses this event as a way to give that year's surplus of association funds back to the shooters.

Since its inception the Fall classic has become a shooters favorite and we as the board strive to make it better every year. To make the event even better every year, we as the board have set forth the following criteria for clubs to be eligible to host the event.

1. Chosen at the discretion of the NCBOD and has shown a dedication to the registered shooters of North Carolina. Once host club is chosen, the shoot format will be decided to ensure a quality shoot.
2. Ability to throw 100 quality targets that all shooters can enjoy.
3. Have a proper 5 stand for warm up containing at minimum 5 traps and have the ability to throw report and true pairs without hinderance.
4. Provide a proper dining area for lunch and awards to be held in. (Lunch to be made available by the club. Either provided by and catered by the club or the club must provide a means for the shooters to purchase a lunch.)
5. Host club must be in good standing with the NSCA and SCANC

Entry Fee:

The entry fee shall be capped at 75.00. The host club may choose to offer a lower entry fee since all prizes are being provided by SCANC.

APPENDIX I

NORTH CAROLINA SPORTING CLAYS FALL CLASSIC

Prizes (continued)

In addition, the payouts for the finale fees collected at each circuit shoot will be paid out to the top 3 eligible shooters in each class at the rate of 50/30/20.

(To be eligible you must have shot at least 3 circuit shoots in each series)

Estimated payouts could be \$4200 total.

For example in each class:

1st place gets \$300

2nd place gets \$180

3rd place gets \$120

Host Club Responsibilities

- The Fall Classic shall be a 100 bird event
- Host club may offer a 2nd event of sporting or super sporting
- The Fall Classic must be the first event shot by all shooters
- Provide a lunch option
- The Fall Classic will be the main event of the day and not combined with any other shoot or club hosted event.

Annual Date

At the annual Range Owners meeting in October of 2019, the range ownership requested that the Fall Classic be held on a fixed date. The Board approved by a vote in November of 2019 that the Fall Classic will be held on the first Saturday of November every year.

SPORTING CLAYS ASSOCIATION OF NORTH CAROLINA

ESTABLISHED JULY 2013

AMENDED JULY 2015

AMENDMENT AA – 2015_01

AMENDMENT

An amendment to stagger the election of President and Vice-President and the Secretary and Treasurer

TEXT OF AMENDMENT

"The President and Secretary elections will be held in odd-numbered years while the Vice-President and Treasurer will be elected in even-numbered years."

PURPOSE

This text will replace the current text that requires the President/Vice-President and Secretary/Treasurer to be elected in the same year.

AMENDMENT AA – 2015_02

AMENDMENT

An amendment to change the criteria for removing sitting board members.

TEXT OF AMENDMENT

"Any sitting board member who fails shoot the minimum number of registered targets (500) in a year in which he is a board member will be considered to have resigned and will be removed from the board with no additional action by the board member or the board necessary with an effective resignation date of December 31 of the shoot year in question."

PURPOSE

This amendment will make the procedure for removing a sitting board member consistent with the eligibility criteria to run for a board seat. Any member who is running for a board seat must have shot at least 500 targets in the year immediately prior to his election. This change will require sitting board members to maintain this minimum registered target criteria throughout their tenure as a board member.
