

Club Agreement for Hosting SCANC Sponsored Events

This agreement applies to Circuit Shoots, the Fall Classic, the North Carolina State Championship and other Clay Shooting Events sponsored by and held under the purview of the Sporting Clays Association of North Carolina.

(Member Club) Agrees to the Following:

1. Follow and enforce all NSCA rules. These are available on the [NSCA Website](#) and the [SCANC Website](#).
2. Follow and enforce all SCANC Circuit Shoot Rules and Guidelines (Appendix C of the SCANC By Laws) or click [here](#) to access the Circuit Shoot rules and guidelines on the SCANC Website.
3. Provide a "Level Playing Field" for all competitors by substantially changing target presentation for **the Main Event of the Day**. Changing the menu alone is not sufficient. According to the 2019 NSCA Rule Book, "significantly different presentation of targets can be achieved by varying some combination of shooting location, trap set up and orientation, order of targets or type of presentation." Substantial changes could include a different velocity, trajectory or location of the traps. A course with unchanged targets is deemed unacceptable.
4. Per NSCA rules, "anyone who shoots the course prior to the competition is ineligible to compete in the tournament. They may shoot for registered targets only...and their scores will be recorded as **'Re-Entry'** only and will not be included in their class when determining punches". (Reference page 37, Sec. VI-E-2a of the 2019 NSCA Rule Book).
5. Failure to sign this agreement will make the Club ineligible to participate in SCANC sponsored events.
6. Holding an event and not following the above rules will result in a review by the SCANC Board of Directors which may result in the Club being suspended from hosting these SCANC sponsored events.
